The Power Saver™ constant-torque motor keeps the EL195E

POWERFULLY EFFICIENT

EL195E | SINGLE-STAGE GAS FURNACE WITH POWER SAVER™ TECHNOLOGY
Delivers high levels of efficiency, reliability and performance
POWERFUL EFFICIENCY

With a 95% AFUE*, the EL195E is one of the most efficient furnaces in its class, helping you save significantly on your energy bills, without sacrificing comfort. Now that’s powerful.

33% GREATER EFFICIENCY THAN STANDARD MOTORS

The EL195E has earned the ENERGY STAR® certification, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

EFFICIENCY INNOVATIONS

POWER SAVER™ MOTOR
Contributes to more even temperatures, more consistent airflow and quieter operation.

STAINLESS STEEL SECONDARY HEAT EXCHANGER
Captures additional heat for peak efficiency performance.

SEALED BLOWER COMPARTMENT
Minimizes losses and maximizes comfort and efficiency.

SURELIGHT® INTEGRATED FURNACE CONTROL
Ensures reliable and efficient operation.

QUIET STARTUP

Because it’s made with special sound-absorbing materials, the EL195E operates with very low sound levels. You’ll hardly hear it startup.

NOT A LOT OF SOUND JUST A LOT OF PERFECT AIR
DOUBLE THE COMFORT

When the EL195E is paired with a Lennox® heat pump, it creates a dual-fuel system that can automatically alternate between electricity and gas fuel. So you’re always using the most energy-efficient way to keep comfortable.

RELIABLY BUILT

Like every Lennox furnace, the EL195E has undergone rigorous testing in our research lab to ensure the highest level of reliability. So you can relax and enjoy the warmth.

PEACE-OF-MIND PROTECTION

The EL195E comes with a limited lifetime warranty on the heat exchanger and a 5-year limited warranty on all remaining covered components.

*AFUE, or Annual Fuel Utilization Efficiency, is a measure of how much usable heat is generated when natural gas is burned in the furnace. The higher the AFUE, the more heat you’ll get from your natural gas, and the less gas you’ll have to use to stay warm.

**Covered components may be eligible to receive a 10-year warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox’ base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox’ ongoing commitment to quality, specifications and ratings are subject to change without notice.
IMPRESSIONIVE INNOVATION
Engineered to save money and energy, all at the same time

BUILD AN ELITE* SYSTEM
On its own, the EL195E provides perfectly comfortable and efficient heating for your home. Use it in conjunction with other Elite Series components, and you've got a home comfort system that's a cut above the rest. Impressive features. Stunning capabilities. Outstanding efficiency. That's Elite.

FINANCING YOUR COMFORT
Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
