just right

MERIT®
SERIES

14ACX

Energy-efficient,
economical
air conditioner

Not too warm. Not too dry. Just right.

Lennox' Merit® Series 14ACX is the ideal cooling solution for homeowners who want reliable performance, budget-friendly affordability and money-saving energy efficiency.

What makes the 14ACX even better is the enhanced humidity control that comes with the optional addition of our exclusive Humiditrol® whole-home dehumidification system.* You'll enjoy ideal comfort in every room of your home, without the worry of high utility bills.

Quality tested

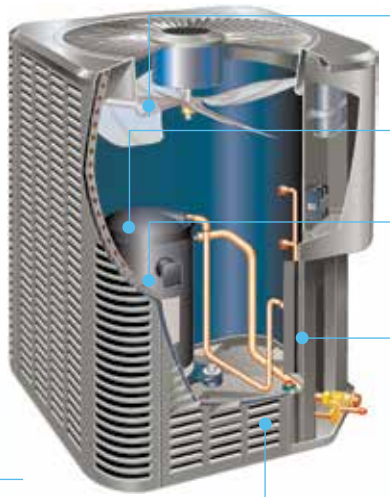

The 14ACX, like every product Lennox manufactures, is designed for exceptional durability inside and out. Its direct-drive fan is precision-balanced to provide quieter operation and longer life. The dependable scroll compressor and high-efficiency coil work together to reduce energy usage and save you money.

14ACX meets or exceeds 14.00 SEER,** (Seasonal Energy Efficiency Ratio).

10-year limited warranty on all covered components.**

Efficient, economical cooling

Direct-Drive Fan – Precision-balanced direct-drive outdoor fan is designed to provide quieter operation and longer product life.

Dependable Scroll Compressor – Provides reliable and efficient operation.

High-Efficiency Outdoor Coil – Provides exceptional heat transfer and low air resistance for high-efficiency operation.

PermaGuard™ Cabinet – Heavy-gauge, galvanized steel construction, louver coil guard, baked-on powder finish and durable zinc-coated steel base provide long-lasting protection against rust and corrosion.

Durable Louvered Coil Guard – Provides long-lasting coil protection.

*Must be accompanied by either a variable speed air handler or furnace and the ComfortSense® 7000 Series touchscreen thermostat.

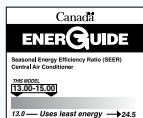

**Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty for details.

***Actual system efficiency may vary depending on the exact system match. Efficiencies are representative of a single AHRI Most Popular matched combination. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.
